[69 FR 76397, Dec. 21, 2004, as amended at 71 FR 37817, July 3, 2006]

§ 15.04 Reportable trading volume level.

The volume quantity for the purpose of reports filed under parts 17 and 18 of this chapter is trading volume of 50 or more contracts, during a single trading day, on a single reporting market that is a board of trade designated as a contract market under section 5 of the Act or a swap execution facility registered under section 5h of the Act, in all instruments that such reporting market designates with the same product identifier (including purchases and sales, and inclusive of all expiration months).

[78 FR 69230, Nov. 18, 2013]

§ 15.05 Designation of agent for foreign persons.

(a) For purposes of this section, the term “futures contract” means any contract for the purchase or sale of any

commodity for future delivery, traded or executed on or subject to the rules of any designated contract market, or for the purposes of paragraph (i) of this section, a reporting market (including all agreements, contracts and transactions that are treated by a clearing organization as fungible with such contracts); the term “option contract” means any contract for the purchase or sale of a commodity option, or as applicable, any other instrument subject to the Act, traded or executed on or subject to the rules of any designated contract market, or for the purposes of paragraph (i) of this section, a reporting market (including all agreements, contracts and transactions that are treated by a clearing organization as fungible with such contracts); the term “customer” means any person for whose benefit a foreign broker makes or causes to be made any futures contract or option contract; and the term “communication” means any summons, complaint, order, subpoena, special call, request for information, or notice, as well as any other written document or correspondence.

(b) Any futures commission merchant who makes or causes to be made any futures contract or option contract for the account of any foreign broker or foreign trader, and any introducing broker who introduces such an account to a futures commission merchant, shall thereupon be deemed to be the agent of the foreign broker or the foreign trader for purposes of accepting delivery and service of any communication issued by or on behalf of the Commission to the foreign broker or the foreign trader with respect to any futures or option contracts which are or have been maintained in such accounts carried by the futures commission merchant. In the case of a futures commission merchant who makes or causes to be made any futures or option contract for the account of a foreign broker, the futures commission merchant and the introducing broker, if any, shall also be the agent of the customers of the foreign broker (including any customer who is also a foreign broker and its customers) who have positions in the foreign broker’s
